1. Introduction

There are many kinds of games in the world. Some are outdoor games and some are indoor games. Football is my favourite game. It is a very popular game all over the world. I like it because it is easy to play and full of joy.

2. Why I Like Football

I like football very much. It is an exciting game. It gives me joy and keeps my mind fresh. I enjoy both playing football and watching it on TV. I feel very happy when I play with my friends.

3. How the Game Is Played

Football is played between two teams. Each team has eleven players. The players try to put the ball into the other team's goal. The team that scores more goals wins the game. A match usually lasts for ninety minutes.

4. The Playing Field and Rules

Football is played on a large field. There is a goalpost at each end of the field. Most players use their feet to control and kick the ball. Only the goalkeeper can use his hands inside his own penalty area. The players must follow the rules of the game.

5. Benefits of Football

Football is good for our health. It makes our body strong and keeps us active. It teaches us discipline, teamwork, and respect for others. It also helps us learn how to win and lose with a good mind.

6. Football in Bangladesh

Football is also popular in Bangladesh. Many boys and girls like to play this game. We often play football in our school field or nearby playground. People enjoy watching local and international football matches.

7. My Favourite Time to Play

I usually like to play football in the afternoon. I play with my friends when we have free time. We divide ourselves into two teams and start playing. We enjoy the game and try our best to win.

8. Conclusion

In conclusion, football is my favourite game because it gives me joy and keeps me healthy. It teaches me many good things. I want to play football regularly and become a good player. I will always love this game.
